

RODENTICIDES

Table generated 20th February 2007

Products are listed below their active ingredients (which are given a code number and listed alphabetically). In addition, details of the marketing company, who can use the product and the HSE registration number, are provided. For products with two or more active ingredients, the entry is repeated for each ingredient.

Note: Symbols

W – products are undergoing withdrawal and approval for advertisement and sale have expired. Products retain approval for supply, storage and use for a short period – contact BPU for details of individual products (biocides@hse.gsi.gov.uk tel: 0151 951 3535).

D – approvals for advertisement, sale, supply, storage and use have expired. Products hold approval for disposal purposes only, for a short period - contact BPU for details of individual products (biocides@hse.gsi.gov.uk tel: 0151 951 3535).
